

## CAREER FAIR OPPORTUNITIES

Another way Build Your Future Arizona (BYFAZ) is getting in front of the next generation to spread awareness around careers in construction is by participating in career fairs at high schools and colleges. Spring career fairs help provide students with information about construction career options, training, earn-while-you-learn programs, and postsecondary training to help jumpstart a construction career after May graduation. The schools below are holding college and career fairs or career panels, and they would love to have your company participate. If you don't have the staff and resources to host your own exhibit table, an employee can join the BYFAZ table to talk about career opportunities at your company or organization. Below are upcoming Spring college and career fairs:

## CLASSROOM OPPORTUNITIES

As a part of the Build Your Future Arizona (BYFAZ) construction career awareness campaign, we share information about construction career options, available training, and income potential so young adults can learn about different construction career pathways. Part of the awareness campaign includes 50-minute presentations in high school classrooms. We have seen the most interest when construction professionals from our BYFAZ investor companies participate in these presentations. Your participation will only take about 20 minutes to discuss your construction career journey, thoughts, and plans as you graduated from high school, and what you enjoy most in your current construction role. We would love to have you join us for at least one of these classroom presentations. Our current openings are:

- 3/6 (choose an hour that works for you) 12:15 or 1:20 p.m. Maryann Markou's juniors and seniors' construction classes at Estrella Foothills High School, 13033 Estrella Pkwy., Goodyear 85338
- 4/8 (choose an hour that works for you) 10:30 a.m. – 1:15 p.m. Westwood High School, 945 W. Rio Salado Pkwy., Mesa 85201
- 4/17 (choose an hour that works for you) 9:30, 10:30, 11:30, and 1:30 Clara Ponds "Future Ready" freshman and sophomore students Foothills High School, 13033 Estrella Pkwy., Goodyear 85338
